BEAUTY EXPERIENCE

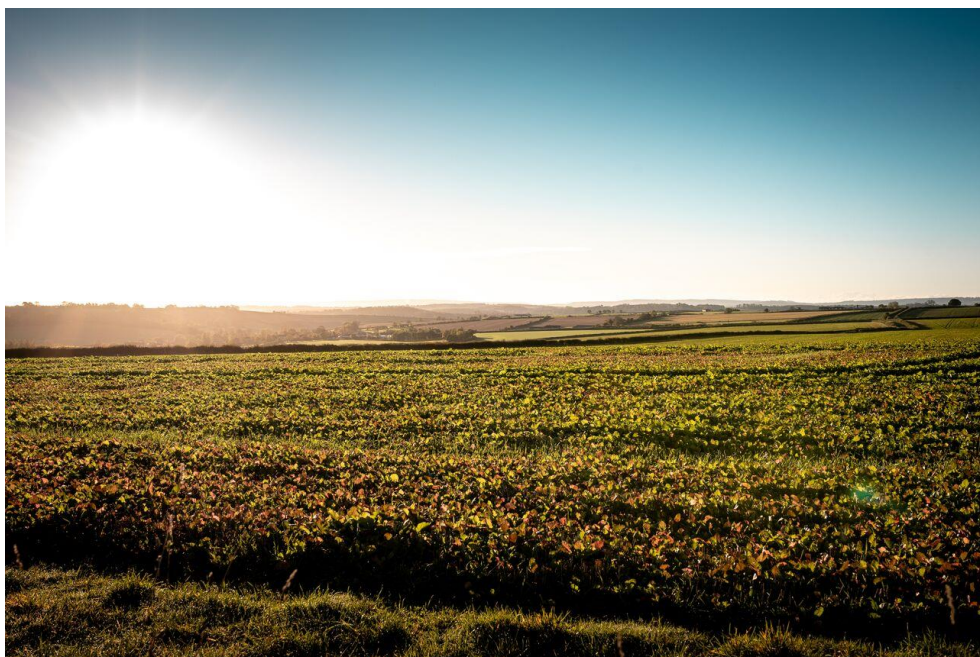

CORTON DENHAM

#TREATSATALW

= A beauty experience not just a treatment

WINTER 19

OUR STORY

Another Little World's adventure was created by Carly in 2010 in Somerset. With years of experience spent in the beauty industry, Carly felt it was time to create something of her own that reflected her passion for the extra details that make the treatment experience that little more wonderful.

Learning along the way what detrimental effects certain ingredients can have on ones-self, she felt that it would be very hypocritical to continue to use products that contained these on her clients.

This is where the story began.....

Your treatment is an experience rather than a quick fix, with lots of personal touches along the way.

We don't like 'typical' + we love being individual. This is the running theme you will discover at Another Little World, along with friendly, professional and helpful staff.

ASK US A QUESTION ?

How early should I arrive for my treatment?

We ask that you arrive 10 minutes prior to your appointment. Please be aware that if you arrive late, the time of your appointment will be shortened in consideration of the next client.

What if I need to cancel my treatment?

If you cancel your appointment with less than 24 hours notice, you will be charged 50% of the total cost of your treatment. A cancellation on the day or a 'no show' will incur a 100% charge. You can cancel or move your appointment via clicking the 'book now' button on the website to log in to your profile. This allows you to view all of your appointments. Please feel free to email, or call.

Do you sell gift vouchers?

Gift vouchers are available of an amount of your choice + are valid for 12 months. Please email, call or head to our online shop to purchase.

What is a patch test?

A patch test is required for all of our tinting treatments. You must have one at least 24 hours prior to having your tinting treatment.

How can I book?

Bookings are by appointment only and can be made on our online booking system on our website or by telephone + email.

What should I wear?

If you are coming for a pedicure, please remember to bring your flip flops to keep those toes perfectly shiny. After a massage, wear loose clothing so you can continue to enjoy the effects of your treatment.

What if I have a medical condition?

Please call or email reception to inform us so we can ensure we can still treat you. If you have a change in colour/thickness to your nails or change in skin condition to your feet please do inform us a minimum of 48 hours as this could stop you having a treatment.

Do you offer a loyalty system?

We do indeed! We use an app which will be saved in your wallet on your iPhone or Google Pay on your Android.
